Hi Alan,

Please see message below to Don Dossett regarding your request for the PPA.

Also, can you me when you get a chance to talk about 319 grant conditions.

Thanks,

Paul

Hi Don,

I hear you're having trouble finding the PPA. Here's a link to it on the DEQ website below. I'm also including a link to the DEQ website. For future reference, if the attached link doesn't get you to the PPA go here and type "PPA" in the search box.
